Me Escuta

From the product to the next conversation.

THE CONTEXT

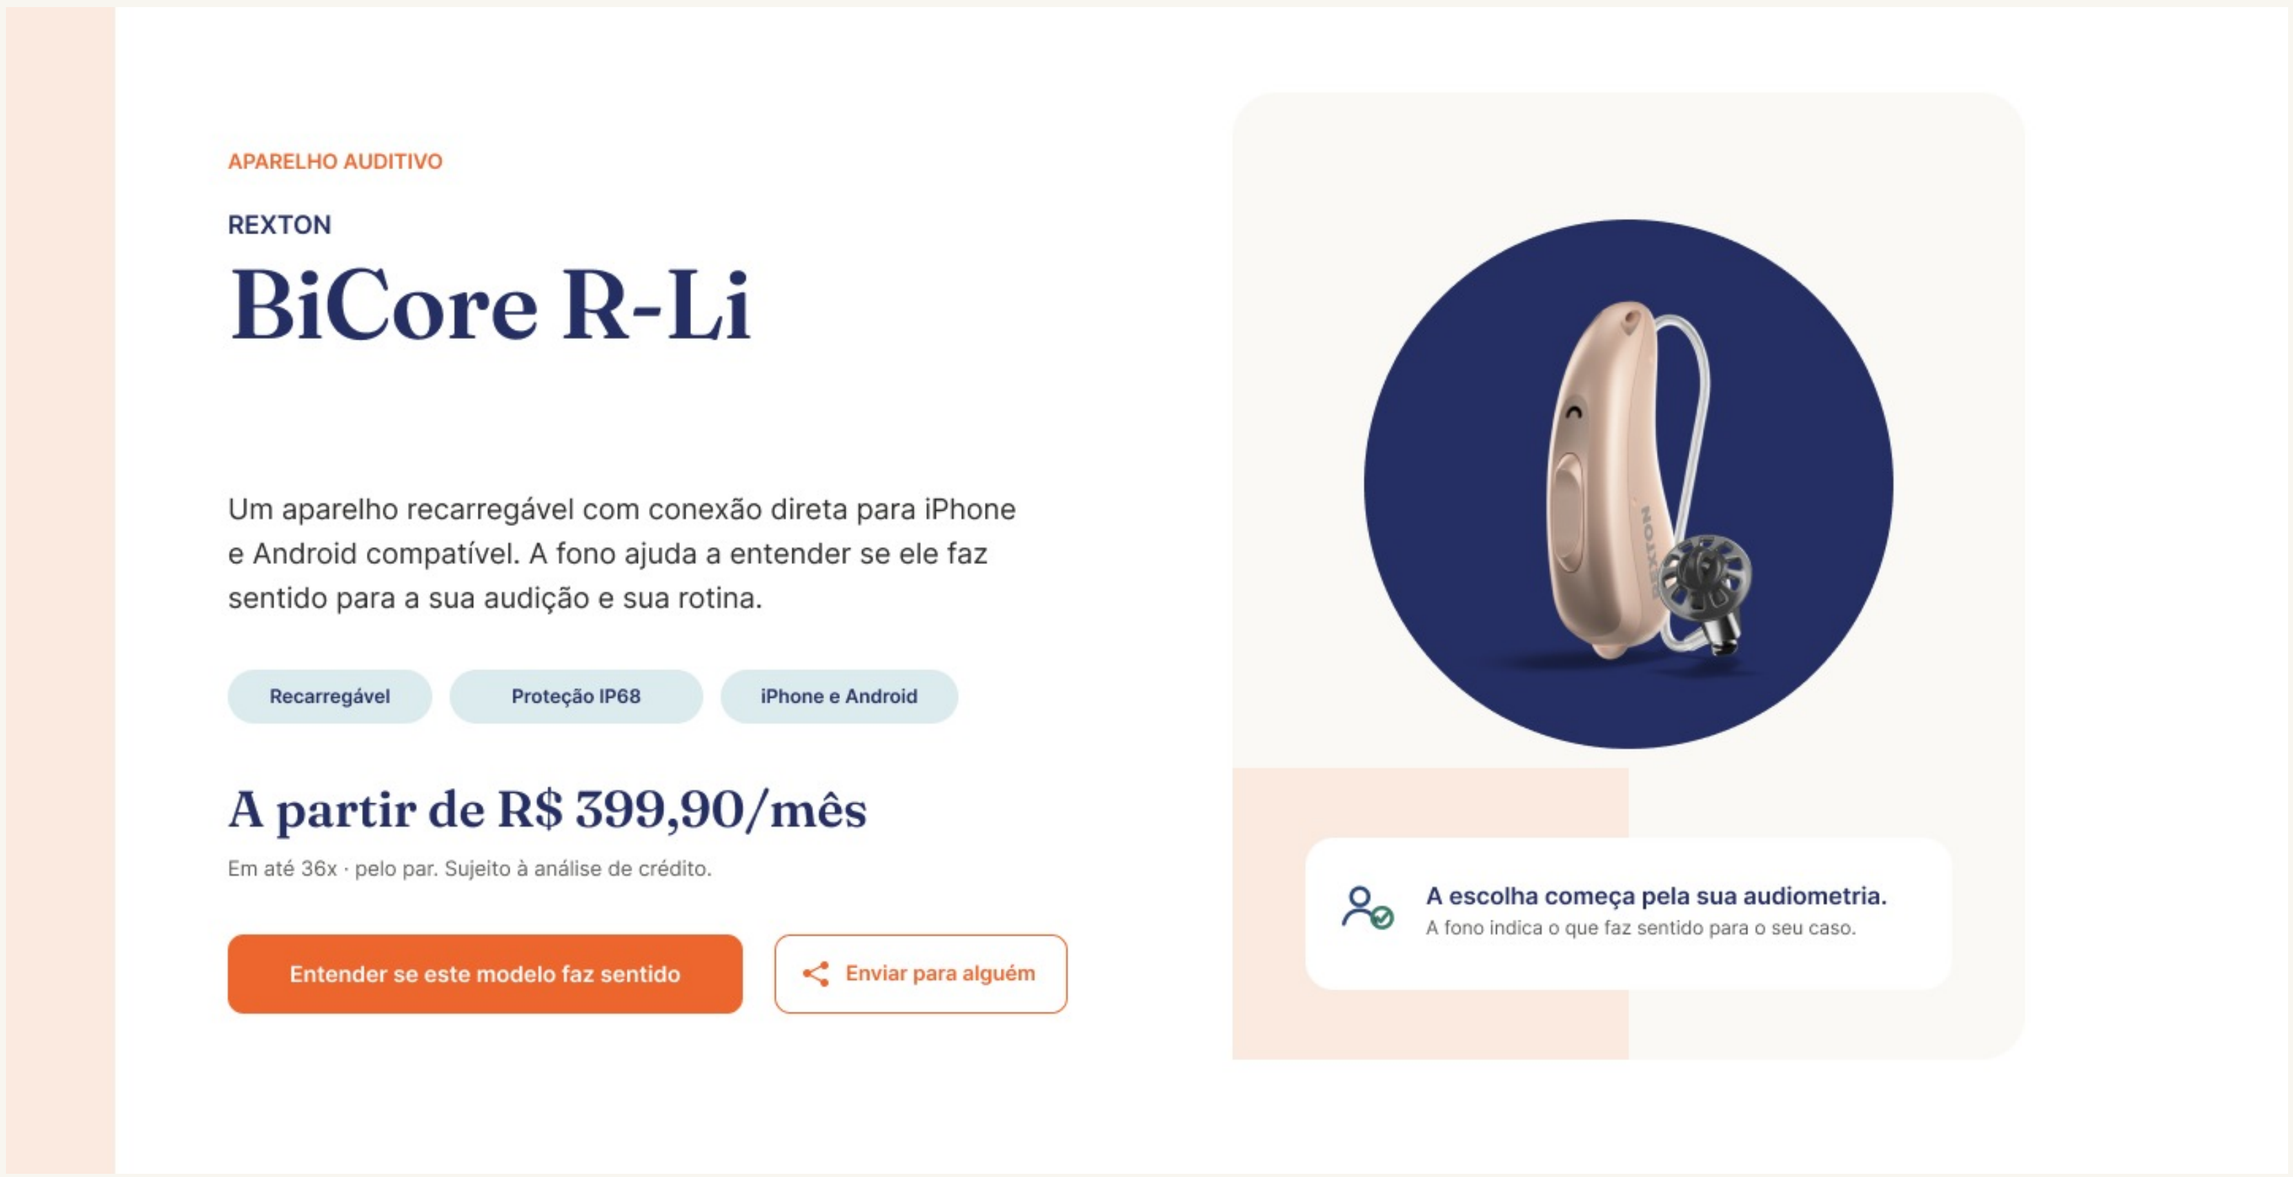

Hearing care combines product information, professional guidance and a decision that often involves the family.

MY ROLE

Fractional CMO, with hands-on work across design, messaging and the digital journey. This selection shows the product-page design.

Me Escuta

Explain the next step before asking for it.

Product at a glance

Name, image and key features form the first reading layer.

A relevant action

The CTA opens a conversation about suitability.

A visible process

The page explains the steps before a decision.
